Job Credit System

SALESJOBS.ie uses a job credit based posting system & implemented a new **Featured Jobs** system along with increased employer branding opportunities throughout the site.

Remote Posting

We accept remote posting feeds from YouRecruit, Broadbean, Idibu, etc.

Credits

Each credit equates to 28 days job advertising. Jobs may be changed for the first 10 days only without using an extra credit.

Featured Jobs

Each advertiser (depending on package purchased) is allocated a number of featured job credits per month. Featured jobs appear higher on job search results and are noted by a yellow star. Additional **Featured Jobs** can be purchased in packs of 3 at €99 per month.

Functionality

SALESJOBS.ie allow the recruiter to set up **'CV's by email alert'** so if a new candidate registers and has specific keywords in their cv, an email alert is sent the following day. Very handy if you are always on the lookout for say **'advertising sales reps in dublin'**.
